

## Traversa by GL<sup>2</sup> Solutions

### **Providing Opportunity, Access, and Management of Travelport Traversa™**

GL<sup>2</sup> Solutions, established in 2005, is a product of the knowledge and experience of almost 30 years in the travel industry. This experience has enabled us to form a unique and exciting relationship with Travelport GDS to provide online booking access to Travelport travel agency subscribers using Travelport Traversa. As an authorized reseller of this industry-leading booking tool, GL<sup>2</sup> Solutions offers the following features to our travel agency partners:

#### **Complete Setup, Implementation, and Maintenance of Traversa**

Includes:

- Complete Setup and Implementation of your Booking Sites - Agency and Corporate
- A Feature-rich, Managed, Supported, and Maintained Online Booking Solution
- 24x7 Online Reservations for Your Customers
- Agency Customization and Branding with Personalized Logon Information and Links
- Agency-defined Travel Policies, based on Corporate Travel Policy
- Agency-retained Ownership of Booking and Ticketing
- Low-Cost Start-up and Access Fees with No Booking Minimums
- Ongoing Support and Site Maintenance

#### **24x7 Online Reservations for Your Customers**

Traversa provides 24x7 access to reservations and information for travelers. Traversa can also be customized to limit access, based on agency guidelines and policies.

#### **Agency Customization and Branding with Personalized Logon Information and Links**

Traversa provides a variety of customization and branding options allowing you to personalize and tailor the booking process to meet the needs of your agency and your customers.

#### **Agency Retained Ownership of the Booking and Ticketing Process**

The travel agency retains complete ownership of the reservation and ticketing process. All reservations made through Traversa are owned and ticketed by the agency using the agency's Apollo pseudo city code, designated queue placement, and queue category, if applicable.
